Same is true of @/patdrisk except he retweets less frequently and won't be private until someone shows him a screencap of this tweet.

He's also seems a bit less radical than Outsider. I don't think Patdrisk is a full on Nazi like Outsider is but a lot of the people he rts are.

What would happen in an apocalyptic blackout?

As hospital patients in Venezuela found out earlier this year during a five-day nationwide blackout, power cuts do more than just turn out the lights.

Americans Have Shifted Dramatically on What Values Matter Most
The values that Americans say define the national character are changing, as younger generations rate patriotism, religion and having children as less important than previous generations.
